### At the End of the Day the Experience Continues

Enclosed under an expansive glass atrium that leaves the starry night sky in full view, the Gaylord Texan Resort and Convention Center is its own little village, alive with the spirit of Texas.

Old-fashioned street lamps line the little stone pathways throughout the four-acre indoor gardens at the heart of the resort. Down different paths you'll come upon unique treasures:

**The Old Hickory Steakhouse with the juiciest premium Black Angus beef.**  
**The Southwestern indoor pool with overhead cascades.** **The European-inspired Grapevine Spa.**

After a fulfilling day of DRIVE, there's nothing better than a night of relaxing and enjoying a whole different world that is the Gaylord Texan Resort.
