

[Mod Collection]

The Lolli Living Mod Collection is a modern take on traditional patterns. Prints of stripes, chevron, triangles, and dots have always been classics, but you've never seen them quite like this before. Paired with the baby foxes, penguins, whales, and owls of the land, sea, and sky, this collection will soon prove that its timeless style is simply unforgettable.

[Stella]

Spring is in full bloom for the smallest critters of the forest floor, as they frolic and play in a springtime wonderland of flowers and leaves swirling in the air. This delightful design can't help but stir joyful feelings with its color palette of soft greens and pinks, mixed with dark and light blues.
